Housekeeping and open points

All participants are muted by default. Questions go in the chat box, and the relevant ones are taken up by the speakers after the session.

- [ ] Confirm where Q&A sits: the agenda lists it, but the script has no Q&A cue between slide 30 and the quiz on slide 31.
- [ ] Confirm Mr. Kalpesh Kothari's title: slide 30 says Chief Manager, Environment, EPR & Sustainability; slide 32 says Chief Manager, HSE.
- [ ] Add webinar date, start time and total duration.
- [ ] Add talking points for the Polycab segment and the handover wording from Dr. Swati Singh.
- [ ] Decide who announces the quiz winners and when the leaderboard is shown.
